FOLEY FAMILY WINES

Company Description

In spring of 1996, Bill & Carol Foley purchased 1,000 acres of lush and fertile earth within the then relatively unknown Sta. Rita Hills region of Santa Barbara County. Their plan – produce hand-crafted Chardonnay and Pinot Noir that reflected the best of California’s Central Coast. Named for their two daughters – Lindsey & Courtney – Lincourt Vineyards was born, and with it, the beginning of Foley Family Wines. In the 25 years since, Foley Family Wines has grown into one of the world’s largest producers of fine wine, adding some of the industry’s most valuable wineries, located in the most recognized winemaking regions, including Napa, Sonoma, the Pacific Northwest, and New Zealand. Today, the Foley Family Wines portfolio boasts a number of the most-celebrated names in wine, including Silverado Vineyards, Chateau St. Jean, Chalk Hill Estate, Chalone, Ferrari-Carano, and Sebastiani.

TAYLOR FARMS

Company Description

In 1995, Taylor Fresh Foods took the simple, wholesome idea of growing lettuce and gave it a lofty mission: to become North America's favorite maker of salads and healthy fresh foods. Twenty-seven years later, the Taylor Farms family has stayed true to its roots. Every year, Taylor farmers plant 3 billion seeds, which blossom into hearty greens, savored in salads by Americans and Canadians every week. The Taylor Farms mission continues today: to cultivate extraordinary produce that will enrich our tables and nourish our communities for generations to come.

TRIANGLE FARMS INC. & JV FARM

Company Description

Triangle Farms and JV Farms Organic are custom-growing operations based out of the Salinas Valley. Triangle and JVO farm over 30 different types of crops with ranches spreading from Salinas to San Lucas. A few of the commodities farmed in the 2023 season were romaine lettuce, head lettuce, broccoli, carrots, peas, onions, green beans, and garlic. About 80% of the crops were conventionally farmed under Triangle Farms and approximately 20% were organic crops grown by JV Farms Organic. Although Triangle Farms and JV Farms Organic are two separate companies, employees work together as both Triangle and JVO are part of the JV Smith Companies family. With such a diverse crop portfolio of both conventional and organic produce, Triangle Farms and JV Farms Organic provides employees with unique experiences both in the office and out in the fields.
